Teacher Report	Regrets from the teacher representative		
Budget	See SGF Trial Balance		Contact Rick Mutuchky re: progress of outdoor classroom (Have contacted; will update when he responds)
Fundraising	Chicken on the Run School Lunch Box Program	Concerns about reduced profit using the school lunch box program in place of our in-school lunch program; need to inquire if it is mandatory or if we can continue with our own programs Chicken on the run is an on-going meat fundraiser where meat is delivered directly to homes and the school earns a percentage of sales.	Marian has sent a previous fundraising plan to the school administrations, as well as some possible activities for 2021-2022 Marian to prepare a flyer for Chicken on the Run
Question/Inquiry		Concern raised regarding the school supplies list sent out by teachers; all supplies required for school are supplied by the board. The school supply list is not equitable and should not be sent home by teachers. Mrs Campbell will confirm this policy with teachers and ensure they know not to send lists home. Suggestion to change "shirt" days to "colour" days as this is more equitable. Students that do not have the appropriate colour "shirt" for the day can feel left out. Consider having anything (hat, pants, socks) that is the colour to be represented. Also consider having he school provide ribbons for students that need a piece of colour.	
New Business		Monday Message to be sent to parents weekly to ensure open communication.	
Agenda Items		None at this time; send agenda items to co-chairs by Oct 29 th for
