Math Grade 2 & 3 Measurement

I can estimate, measure, and compare the capacities of containers.
I can estimate, measure and compare the masses of objects.
I can solve measurement problems.

Number Sense. Grade 3

I can estimate sums and differences.
I can add and subtract 2 and 3 digit numbers.
I can explain how to solve addition and subtraction problems.
I can add and subtract with money

Number Sense Grade 2

I can solve problems involving addition and subtraction of two-digit numbers with and without regrouping, using concrete materials.

EQAO: Each week we will practice EQAO questions. You may visit the EQAO web site: www.eqao.com

Reading Reading

Continue 20 minutes each night at home. Complete Reading Log. Reading Response Journals started in class. Focus on APE (Answer Proof Extend) Strategy. Students should now focus on providing two proofs.
