Spare Clothing for School

Please use a labelled bag to send spare clothes to remain at school, in case of emergency! Please send at least - 2 underpants, 2 pairs of socks, and a long-sleeved shirt and pair of pants. If clothing is used, please remember to return replacements the following day! Reminders will be sent in the mailbag!

Velcro or elastic running shoes will help students to smoothly transition between outdoor and indoor activity.

Planning ahead...mittens are the most frequently lost item. Water-proof mittens will be a necessity to keep hands warm and dry during the cold, winter months. Consider purchasing 2 to 3 pairs of the same mitts so there are always a dry pair and you have less matching to worrying about. Also, splash and snow pants, shoes and boots often look similar and young children have difficulty identifying their own items.
