Bottom line has increased, only because we are currently collecting money for grad videos and yearbooks, but this money will be used to pay for those goods. The money has been spent and moved in each of the categories, as was approved at the June 1st council meeting.</p> <p>The outdoor classroom work has started. The land has been cleared and the stone retaining wall has been installed. We are now waiting for the next contractor to come install the classroom components.</p> <p>There is a vacancy on the Parent Involvement committee, which is the board level committee of parent counsel. Michelle Philbrick expressed interest in getting involved. Lisa will touch base with Michelle to ensure she has the required documents.</p> <p>Lisa will work with the co-chairs to complete the annual report, due mid June. This is a report that any parent can read to see what has been happening with parent counsel.</p> <p>Staffing update: New vice principal is Ken Wilson, coming from Andrew Hunter. First transitional visit is happening tomorrow to begin his training.</p>	<p>-Lisa to coordinate with Michelle to ensure she has required documents</p> <p>-Co-chairs to coordinate with Lisa to ensure report is completed</p>
